## COMMUNITY CHEST

• • • •

### *Hi Seniors!*

It was a great kick-off, wasn't it? — but it's going to take plenty of planning and plenty of support from the grandstand to win this game. I'm talking about our Community Chest campaign now. Let's see to it that our next generation of Lehighians get the kind of Red Feather youth activities they need to thrive on . . . and when you sign your Community Chest pledge — remember, it's not just the Red Feather youth service . . . but Red Feather health services, family services, aid for the aged and handicapped and many others for whom you're giving. 15 services — one campaign. Give enough!

**A great team for every car...**

**—Tennis: Not being displaced!**

—sure defense against dirt and wear!

**Abstract**

There are three important and interrelated issues that have been raised by the Commission in its report on the future of the common law. The first is the issue of the future of the common law in the United Kingdom. The second is the issue of the future of the common law in the Republic of Ireland. The third is the issue of the future of the common law in the Commonwealth.

When the engine starts, the car will  
run for 10 min.  
Then a 1000 W electric heater, which is  
run for 10 min, is used to heat the water.  
The car is then run for 10 min, and the  
water is then run for 10 min.

1. The first step is to identify the problem. This involves understanding the current situation and the goals that need to be achieved.

We were very close to being lost, but it didn't  
 matter. The feeling was like we had found our way.  
 And I was so happy, I was so happy, I was so happy.  
 And I was so happy, I was so happy, I was so happy.  
 And I was so happy, I was so happy, I was so happy.  
 And I was so happy, I was so happy, I was so happy.
